

HEAD CLASS PARENT/CLASS PARENT REQUEST

We feel it is important that all of our children have a head class parent and some class parents for each classroom.

We need at least 1 Head Class Parent and 4 Class Parents per homeroom. Each of you will play an important role in making this the best year ever for your child's class by helping teachers facilitate classroom/grade wide events, field trips and celebrations. You will coordinate with your child's teacher to discuss a monthly email update and class parties/events for the year.
